Nima's Yummy Gourmet News

At the edge of Railroad Avenue within Pittsburg's beautiful Old Town walking distance to the new Marina, lies our little nook at Restaurant 615. This establishment acts both as a culinary school for future chefs, and one of the best gourmet restaurants in Pittsburg. 615 offers many different culinary treats for both lunch and dinner and is an environment in the marina that offers serenity and peace of mind from the day to day. With an outside patio in a newly remodeled old town corridor, and a quaint interior with a wonderful staff waiting to serve you, 615 is one eatery where you will not leave unsatisfied.
